

SANDY HIGHFLYER BREAKS HIS NEW YEAR'S RESOLUTION—TO HIS SORROW

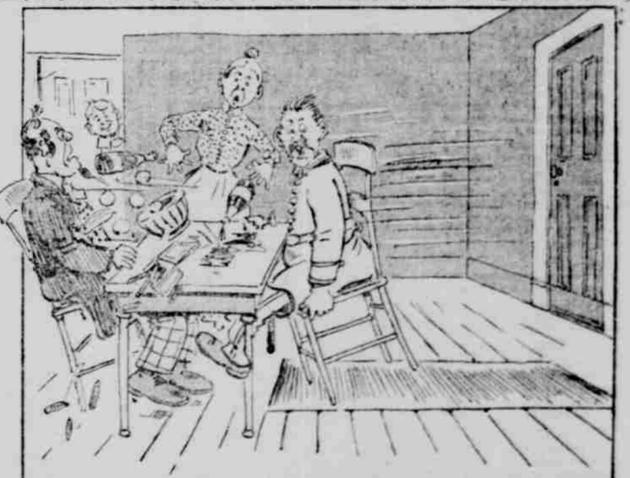

WILLIE WESTINGHOUSE BREAKS UP A WATCH-MEETING IN THE KITCHEN

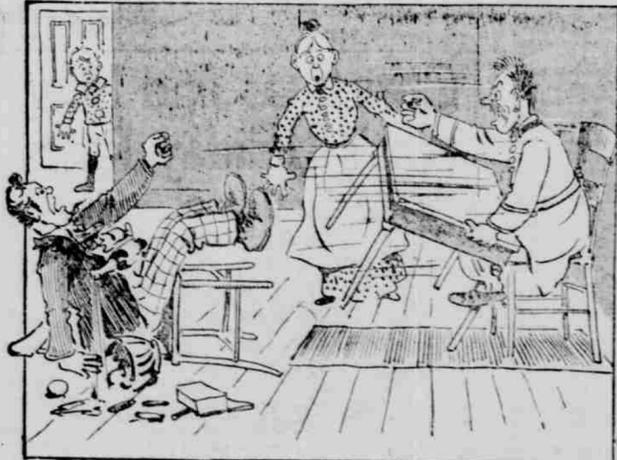

"Dear Tommy—Our hired girl invited the cop and the iceman to come around on New Year's Eve and get some of Papa's wine."

"I cut out a section of the kitchen floor and built a treadmill in the cellar with Jim to work the lever when I gave the signal."

"Bridget was just pouring the wine when I gave Jim one bell to go ahead."

"Then I rang twice, and Jim backed her up."

"You ought to have seen them, Tommy! The table fell on top of the cop, and they all got mad."

"Bridget was the maddest of the three, and chucked them both out of the kitchen. Yours, Willie."
